

## What can your Community Based Services Program do for you?

- We Advocate for you
- We are in all your important meetings with you, sitting by your side
- We stand with you to help figure things out. We work with you and other agencies to meet your goals
- We work to help your family meet their needs
- We partner with you to help support safety, stability and security within your family
- We help see your Strengths and voice them
- We open all our resources to you
- We are HERE FOR YOU!
